

INC Semesterly scholarships (only for WIL and International Program)

The department offers semesterly scholarships worth 25,000 Baht used to reduce tuition fees.

These scholarships are awarded based on student's academic performances.

The details are as follows:

1. Register for all subjects as specified in the curriculum.
2. Students have GPA scores (in that semester) in the top 10% of the class and above 3.00.
3. The number of scholarships is 10% of the number of students in the classroom. This number will be rounded up.
